

### **Step 1: KONTAKT / KONTAKT PLAYER INSTALLATION**

If you do not already own Kontakt or Kontakt player version 3.5 or higher, you will need to install the free Kontakt Player 4 provided In the "Installers" folder on this DVD.

\*\*\* PLEASE DRAG THE INSTALLERS FOLDER TO YOURT DESKTOP BEFORE RUNNING THE INSTALLER APPLICATION\*\*\* Once Kontakt Player 4 is installed see "Step 2".

If you already have Kontakt 3.5 or higher, then you will only need to install the A.I.R. Expanded library and can skip ahead to "Step 2".

### **Step 2: A.I.R. EXPANDED LIBRARY INSTALLATION**

To install the A.I.R. Expanded library, drag the "Ambience Impacts Rhythms" folder to your desired hard drive destination. This product requires at least 6.1 Gigabytes of free space.

### **Step 3: ADDING A.I.R. EXPANDED TO KONTAKT / KONTAKT PLAYER**

Once the folder has been transferred from the DVD, launch Kontakt / Kontakt Player and click "Add Library" from the "Libraries" tab located in the left browser. When prompted, locate the "Ambience Impacts Rhythms" folder that you just transferred and click the "Choose" button.

The A.I.R. Expanded library should now be accessible from the "Libraries" tab.

### **Step 4: ACTIVATION**

Click "Activate" from the A.I.R. library browser, then click "Start Service Center" when prompted. This will launch Service Center and will require an internet connection. Once launched, you will be prompted to login and authorize A.I.R.. If you do not have an NI Service Center account, then you will need to create one in order to authorize this product. Once logged in, locate the "Ambience Impacts Rhythms" product from the "Activate" tab and enter the serial number that is provided inside your A.I.R. DVD case then press the "Activate" button.

### **Step 5: FINISHING INSTALLATION**

Once activated, quit and relaunch Kontakt / Kontakt Player. If installed properly the activate button will no longer be visible from the A.I.R. library browser.

You are now fully installed and activated. ENJOY!!!
